Hindi
Sanskrit

Education

2019 - Present// Masters in Landscape Architecture (MLA)
National University of Singapore (NUS) // Singapore

2013-18// Bachelor of Architecture (B.Arch.)
Center of Environmental Planning and Technology (CEPT) University // Ahmadabad, India
(*Portfolio based transfer admission in 2nd year of B.Arch. Studies*)

2016// Student exchange program (Archineering)
Department of Architecture - TU Delft // Delft, The Netherlands (*Student exchange program*)

2012// B.Arch. First year // Vadodara Design Academy // Vadodara, India

Work Experience

Practice

Jan'21 - Present// Research Assistant
BIM Vegetation library workflow structure (ArchiCAD) //NUS, Singapore

Aug'20-Nov'20// Teaching Assistant
Module - Geodesign (Advanced mapping techniques with ArcGIS Pro) //NUS, Singapore

July'19 -Feb'20// Research Assistant
HVAC systems modeling (ArchiCAD, BIM) //NUS, Singapore

Feb-May 2019// Junior Architect
Modi Srivasta & Associates //Vadodara, India

April 2018// Junior Architect (Volunteer)
Bremen Overseas Research and Development Association //NGO, Leh-Ladakh, India

Feb-Mar 2018// Architect (Volunteer)
Ladakh Ecological Development Group //NGO, Leh-Ladakh, India

Jun 2015 - Jan 2016 // Candidate Architecture Intern
Competence Center for Envelopes and Solar Energy //CC-EASE at Lucerne University of Applied Science, Lucerne, Switzerland

May-Jun 2014// Architecture Intern
Beyond Green Landscape Architects //Ahmadabad, India

Leadership, Workshop participation & Exhibitions

Leadership & workshop participations

2020// LA10 Years - VR Exhibition
One of the team member for panel design and curation for celebration of 10 years of Masters of Landscape Architecture at NUS. Kindly visit us at tinyurl.com/MLA10yrsNUS

2017// Lead Convener - KVDesign Forum 2017 (Student led CEPT University event)
One of the central-to-heart event for architecture student community of CEPT University. Student from south east Asia are invited to present their final year project to generate architecture discourse around pressing issues of the time. Kindly visit us at tinyurl.com/kvdforum2017//Ahmadabad, India

2017// Archiprix 2017 - The City Positive
The workshop explored engagement beyond built environments and study how the "tyranny of small decisions" at city scale drives potential long term impacts that shapes a city and its people. Kindly visit us at tinyurl.com/Archiprix2017 //Ahmadabad, India
